WHO WE ARE

Kermode Overland is an **Indigenous-owned company** based on Vancouver Island, BC, supplying Canadian government agencies, Crown corporations, Indigenous organizations, and resource-sector operators with **rugged aluminum truck canopies, lockable storage systems, vehicle rack platforms, field shelter solutions, and full fleet outfitting services**. We combine fast in-stock availability with Canada-wide shipping and installation services available across Canada — purpose-built for field operations in remote and demanding environments.

CORE CAPABILITIES

- **Aluminum truck canopies** — lockable, fleet-ready
- **Bed racks & roof rack platforms**
- **Rotomold & hard-shell storage boxes**
- **Awnings & field shelter systems**
- **Rooftop tents** for remote overnight operations
- **Fleet outfitting & installation** — Vancouver Island direct; partner network across Canada
- Custom package builds for departmental requirements
- **Canada-wide shipping** — in-stock inventory
